Dec Highland Article

Greetings from the East,

I hope you all had a great Thanksgiving!

At our November Stated Meeting it was discussed that Highland Lodge would surrender its charter at the end of this year. After further discussion, we felt that merging with another lodge may be more appropriate. This is a better way to help our elderly brothers who may not be able to find another lodge. For those brothers who wish to find another lodge on their own, a demit will be issued by our Lodge secretary. Hopefully, by now you have received correspondence from our secretary explaining this procedure.

By-laws call for a two-time vote on such a procedure. Our first vote was at the November Stated Meeting and the second and final vote will be at our December Stated Meeting. Due to assessments and other financial responsibilities, this issue needs to be handled in a timely matter.

We have no officers going into 2011 and with elections in December, this is not a good position to be in. Over the past several years, the same few brothers have filled the officer positions and at this point they are getting tired. Furthermore, attendance at our meetings has been very poor.

This is a difficult time for Highland Lodge!

Fraternally yours,
Steve Tegtmeyer WM
