Nov. Highland Article

Greetings from the East.

Another month has passed us by. Time is approaching for another Lodge meeting. The meeting will be November 2<sup>nd</sup>, with dinner at 6:30 at the Temple and the meeting to follow.

We have several candidates on their way to becoming Master Masons. By the time you read this newsletter, we will have had an EA Degree and will be preparing for the FC Degree. I would like to thank everyone who participated in the EA Degree. We had a nice turnout. Also, a one-day Grand Masters class will have been completed along with Lodge of Instruction. October was a very busy month!

In November we will continue with our Degree work and, hopefully, more candidates.

We will continue with our fundraising events at the Coliseum and look forward to seeing new faces volunteering with us. We all know how much these fundraisers help our Lodge and help keep expenses down.

In closing, always look up, brothers, always be positive. It's amazing how the load is lightened when we work together.
